

  
 AGUA LINDA FARM  
*Weddings*

If you are wanting to add minimal flowers to your package, like assorted flowers in small bud vases, perhaps a few bouquets and boutonnieres, our in-house floral professional can give you a quote. For a more complete floral package, Posh Petals provides our clients with a great choice with up-grades and customizing available. This would include set up and end of event clean-up.

**Fresh Flower Package with POSH PETALS**
