# COVID CONSIDERATIONS

## AGUA LINDA FARM, *Weddings & Events*

---

### A Safer Choice Outdoor

---

Ceremonies and receptions at Agua Linda are held outside in a garden/lawn setting. Outdoor spaces are large making it easy to spread out ceremony chairs and reception tables and are flanked by 800 acres of pastures, low walls and trees - and are not closed in, tight courtyards.

---

### Private

---

Our venue is a private home that is *not* open to the public so while you are carefully formulating your guest list, you do not need to worry about other patrons at our venue on your day - we do not operate a hotel, restaurant or other business open to the public on site - the venue is your private space for THE WHOLE DAY! We have never booked more than one event in a day so you know that the venue that you and your family are enjoying was not used by another group that day.

### Making Adjustments

Agua Linda has made a few changes to our operation to increase safety and peace of mind.

- We have moved our bar, usually inside, to an outside location in the reception yard and supply single use disposables for bar service *\*see notation*
- We will provide extra tables for no extra cost if needed to give ample seating for family groupings and have plenty of room to space these tables out in the reception yard
- Ceremony chairs will be spaced further apart in the ceremony yard which has plenty of natural shade
- Our in-house DJ will set sound up in ceremony yard supplying sufficient amplification and a wireless microphone suspended from arch or a tree so that all guests can hear your vows.
- For guests of 100 or less, we will supply 2 sets of chairs so that ceremony chairs are not being reused by 2 different guests. For larger gatherings, chairs will be disinfected between uses *\*see notation*
- We have modified our self-serve beverage dispensers for no-touch use and provide single use disposables for guests pre-ceremony at our water/lemonade/ice-tea station
- An additional bar service staff member will pour wine and water at tables (without touching glasses) during dinner service *\*see notation*
