

Agua Linda Farm Private A-La-Carte Event Cost Worksheet

Use this cost worksheet for events scheduled on a Monday-Friday or Sunday (not Saturdays unless booking 3 months or less prior to event). This cost worksheet breaks down our services into options that you can pick or choose and is best suited for non-wedding events (when, for example, for a retirement party, no "bridal dressing room" will be needed), small events or for last minute or small weddings. You will find that if you add the services that most weddings require (DJ, bar service, etc.) you will save money by utilizing our more inclusive Wedding Package pricing.
