### Agua Linda Farm Private A-La-Carte Event Cost Worksheet

Use this cost worksheet for events scheduled on a Monday-Friday or Sunday (not Saturdays unless booking 3 months or less prior to event). This cost worksheet breaks down our services into options that you can pick or choose and is best suited for non-wedding events (like, for example, a retirement party when no “bridal dressing room” will be needed), small events or for last minute or small weddings\*. You will find that if you add the services that most weddings require (DJ, bar service, etc.) you will save money by utilizing our more inclusive Wedding Package pricing.

\* Final cost must be at least \$2,000
