Your Style

You have chosen the venue of your dreams, now, let's get down to the details!

The basics: Would you like round or rectangle tables for guests?
Would you like a separate sweetheart table?

Add optional tablescape elements like chargers, candle votives, lanterns, mesquite slabs, etc. to create the look you are going for. Follow this [link](#) to the page of our website with options. Those marked with a check mark are included in this package and all other items are available to add to your decor.

What are your colors? See the napkin color options available.
Discuss flower color options with Posh Petals

Visit or "[rental and borrowed](#)" page of the website to see more options to enhance your event.

Essentials

Included in your “We Got This” Package are white resin chairs with a padded seat and round or rectangle tables. You are welcome to mix and match tables.

- Round tables are 60" and can seat up to 10, however, 8 is recommended
- Rectangles are 8' long and seat 10 with a guest on each end and 4 to each side

We also have a smaller round or smaller rectangle table perfect for a sweetheart table for two.

Any additional tables for desserts, guest book, etc. are also included (or see our [rental page](#) for other fun display options!)

Outside Rentals

If you prefer wood “farm tables” and wood chairs, or other rental items that we do not have “in-house”, let us know. We can arrange these rentals through another vendor - prices vary.

Flowers

Our “We Got This” Package
includes fresh flowers by
Posh Petals!

See your cost work-sheet for details!

You will meet with Mollee and her team
(based in Tucson) to customize your
selections, substitute elements, if you
like, or add more.

Delivery, placement, repurposing
(from ceremony to reception) and

MORE!

This floral package covers the essentials
for your day, with the flexibility to
enhance your arrangements as desired!
Whether you need additional
centerpieces for a larger guest count,
extra bouquets for a bigger bridal party,
or a stunning ceremony installation, the
talented team at Posh Petals is ready to
bring your floral vision to life with
personalized guidance and creative
expertise!

Lanterns, table numbers, mesquite slabs, rustic boxes, vintage doilies with farm grown greenery accents - are some of the options to choose from.

Event Styling

Included in your “We Got This” package are a variety of style elements. On the [“Borrowed and Rental”](#) page of our website, you will see items that you may borrow and under the “rental” section, there are photos of other items available. Those marked with a check in the description are options that are available at no additional cost to you. ✓

EXAMPLES

One couple opted not to add to their floral centerpiece budget and, instead, used Agua Linda lanterns with LED candles and farm harvested greenery for tables without flowers (it was a large wedding - 10 tables had fresh flowers and the remaining 10 used non-floral centerpieces).

Another couple opted to use all of their floral budget for additional bouquets for a large bridal party and a floral swag at the alter. The alter flowers were repurposed at their sweetheart table and guest tables were decorated with non-floral decor and farm greenery.

Yet another added added our collection of old books and doilies on their tables alongside the florals to complete the vintage look they were going for.

Linens

Choose from white or ivory tablecloths and a variety of napkin colors, see options below. Choose one or mix and match.

Not seeing the colors that you want? Ask about other linen rental options in many colors and textures available in napkins and tablecloths, prices vary.

You will meet directly with their team to customize your menu. See a list of options on their [website](#) and refer to your Cost Worksheet for details of what is included and you are welcome to add more!

Beverages

Your “We Got This” package includes bar service in our charming Spanish Colonial bar, creating the perfect setting for your celebration. Our service includes a professional bartender, clear disposables, ice and classic white cocktail napkins. You’ll provide your own beer, wine, champagne (if you like) and any additional ingredients and condiments needed to craft up to 2 signature. If you would like to provide a full bar for your guests, you are welcome to up-grade to that service.

Please note that bartender gratuity is required. A tip jar will be available unless you request otherwise; however, it is your responsibility to ensure the bartender receives appropriate compensation. We recommend budgeting a minimum of \$100, with a higher amount suggested for larger guest counts, 2nd bartender and full bar service.

How Much Alcohol?

Believe it or not, many of our clients over-buy!
Use this [beverage calculator to help](#).

A water, lemonade and iced tea station is ready as soon as guests arrive - made with Agua Linda Farm’s DELICIOUS well water. Add a coffee bar, if you like!

Farm Fresh!

Elevate your wedding bar experience by creating a signature cocktail or mocktail featuring fresh, seasonal ingredients grown right here on the farm! Imagine the refreshing taste of farm-fresh mint, available most of the year, adding a crisp finish to your drinks. If you’re getting married in October, take advantage of our ripe pomegranates, perfect for a vibrant pomegranate spritzer with a jewel-toned garnish. For a stunning final touch, incorporate edible flowers to complement your wedding’s aesthetic—violets in March, primroses from April to October, and hollyhocks in May and June. Whether you’re mixing up a handcrafted cocktail or a refreshing mocktail, these ingredients will add a special, Agua Linda inspired flair to your celebration!

TIP!

Left over alcohol is yours to take home - TIP - bring a couple empty coolers for bartender to pack up bottles and cans. MUCH easier to carry than in used boxes especially since cans/bottle have gotten wet in our galvanized buckets!

Bar Service

Your We Got This package includes bar service in our Spanish colonial bar serving beer, wine and up to two signature drinks - you provide what our bartender serves. Details below

- Clients provide all liquids served at bar except water (ALF has excellent well water) and all garnishes and mixers, if needed.
- Alcohol permitted for Standard Bar is limited to beer (bottles, cans or kegs), wine, champagne and up to 2 signature drinks (like margarita). Clients can opt to bring other non-alcoholic drinks for bartenders to serve.
- If client brings a keg, it should arrive already in a tub and with tap. ALF does not provide tubs for kegs or taps. Keg beer should never get warm and since bartenders arrive 1/2 hour before the ceremony, if the client brings the keg earlier, client should also bring ice and is responsible for keeping keg cold.
- The Standard Bar set up is in the pool house bar. Additional fees for a second bar or to relocate pool house bar to an outside location
- Bar service begins after ceremony and ends 1/2 hour before end time of the event unless other arrangements have been made.
- A self-serve water, lemonade and ice-tea station is made available 1/2 hour before ceremony and is replenished throughout the event. Disposables provided.
- Standard package includes ice, containers for icing down cans/bottles, cocktail napkins and disposable clear plastic cups. A beverage refrigerator is used to chill white wine and champagne and, if arriving before bartenders, client should place in refrigerator to allow ample time to chill.
- Bartender will ice-down bottles/cans, maintain ice in kegs, cork wine and champagne and serve for the duration of your event starting after the end of your ceremony (or, if ceremony is off-site), as soon as reception starts.
- Bartender will mix signature drink for you - please provide written instructions.
- Bartender arrives about 1/2 hour before ceremony.
- Bartender will box up left over alcohol for client to take at the end of the night.
- Bartender will have a tip jar and also take Venmo. If client prefers no tip jar or if it is a non-alcohol bar, client must tip bartenders at least \$1.25 per guest.
- Bartenders do not provide table service.
- Client is welcome to set up their own separate non-alcoholic drink station, if they like, but setting this up and ALL products needed (buckets, beverages, ice, etc.) and the maintenance of station is not part of the ALF bartender's responsibilities.
- Agua Linda staff reserves the right to refuse service to your guests for any reason they feel necessary.
- The safety of your guests is your responsibility. Hiring a shuttle service for guests is highly recommended. Limiting the quantity of alcohol available or ending bar service early is another option to control drinking.
- All alcohol must be served by bartender. No self-serve alcohol is permitted during the event. All alcohol must be taken to the bar and served by bartenders and is limited to the alcohol permitted in the Standard Package.
- BYOB by your guests is not permitted. If you want guests to "help out" in procurement of alcohol, this must be done ahead of time and all alcohol brought by you.
- Groomsmen and bridesmaids are permitted alcohol during the day (pre-event) in their dressing rooms. There is a small refrigerator in the groom's cantina. If you need ice before bartenders arrive, let venue know.

What About Your Photographer?

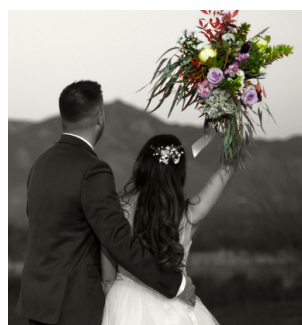

Our "We Got This" package includes most of the essential elements to bring your wedding day vision to life—but photography is not included. This allows you the flexibility to choose a photographer who best fits your style and budget.

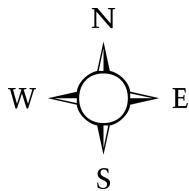

While you're welcome to hire any professional you love (and we've listed a few on the [Vendor page](#) of our website), we encourage you to consider Jasmine of The Loew Light Photography.

Jasmine is not only a skilled and artistic photographer—she's also our daughter and a valued member of our team. As part of our family-run business, she knows our venue better than anyone and can capture all the hidden "sweet spots" that make this place so magical.

Her "Copper Package" includes an engagement shoot (which can take place here at the venue or at another location—Jasmine has some beautiful suggestions). We invite you to check out her website to see her work—her photos truly speak for themselves.

Insurance

Like most venues, Agua Linda Farm requires couples to purchase liability insurance for their wedding day. This coverage helps protect both you and the venue in case of accidents, property damage, or injuries that may occur during your event. To make obtaining coverage simple, we provide a link to [Event Helper](#) on our vendor page. When you follow the link, our venue details will be automatically filled in, ensuring you purchase the correct coverage. Be sure to include a Waiver of Subrogation. We also recommend adding coverage for the day before if you plan to hold a rehearsal and even the day after in case cleanup extends past midnight, as

Event Helper provides this extra coverage at no additional cost. Please note that this is liability insurance, which is required, but it is not cancellation insurance. While we do not require cancellation insurance, we highly recommend it to protect your investment in case of unforeseen circumstances. To learn more about insuring your event, read our [Blog](#) on the topic.
